SAC OSAGE ELECTRIC COOPERATIVE DONATES TO AREA CHRISTMAS CHARITIES

In 2024, the Operation Round-Up Program continued its tradition of giving by donating \$400 to several local charities, including the El Dorado Springs Christmas Basket, Rivers Crossing Life Center in Osceola, Community Outreach Program in Nevada, and the Stockton Christian Church. These donations are crucial in supporting community efforts to provide holiday meals, gifts, and assistance to families and seniors.

By simply rounding up their bills, Sac Osage Electric Members can make a significant difference in their community, continuing the cooperative's legacy of giving and kindness.

Members can sign up for the Operation Round-Up Program to contribute an average of \$6.00 per account annually, with the maximum contribution capped at \$11.88. For instance, if a member's electric bill is \$113.27, it is rounded up to \$114.00,

and the additional seventy-three cents is added to the Operation Round-Up Fund. These funds are then distributed to charities later in the year.

The Sac Osage Electric Cooperative Board Directors were recently seen presenting donation checks to these deserving organizations, underscoring the cooperative's commitment to community engagement and support.

This effort, fueled by the generosity of Sac Osage members, ensures that local families and seniors can experience the joy and warmth of the holiday season.

To join this meaningful cause, prospective participants can sign up for the program by contacting Sac Osage Electric at 417-876-2721 or by filling out an online form available at sacosage.com/operation-round.
