No person, entity, firm, association, corporation or body politic or subdivision thereof holding membership in the Cooperative shall have more than one vote on any matter properly coming before the membership at any annual or special meeting thereof, irrespective of the number of services or connections that member may have.

ARTICLE III - MEETING OF MEMBERS

SECTION 1. Annual Meeting.

The annual meeting of the members shall be held on such day after the first of June and prior to the first day of October of each year as shall be fixed by the Board beginning with the year 1951 at such place in the County of Cedar, State of Missouri, as shall be designated by the Board. The annual meeting shall be held for the purpose of electing directors, passing upon reports for the previous fiscal year and transacting such other business as may come before the meeting. It shall be the responsibility of the Board to make adequate plans and preparations for the annual meeting. Failure to hold the annual meeting at the designated time shall not work a forfeiture or dissolution of the Cooperative.

SECTION 5. Ballot.

A ballot if required shall be mailed to each member with the notice of meeting. The ballot so mailed shall constitute the sole and only official ballot to be cast by a member pursuant to Section 7 of this Article or in person at the meeting in accordance with Section 6 of this Article. In the event a member fails to receive a ballot or loses or misplaces his ballot, he may make and deliver a sworn affidavit to that effect and shall be issued another ballot, provided however, the affidavit must be delivered to the office of the Cooperative no later than twenty-four (24) hours prior to the membership meeting. No additional ballots shall be issued after twenty-four (24) hours prior to the meeting.

The ballot may be in two (2) parts and shall be printed or mimeographed. The first part of the ballot shall list the candidates, if there are two (2) or more, standing for election to the office of director from that member's district who have been nominated by nominating petition as provided in Section 4 of Article IV. The names of the candidates shall be arranged by district in the order the nominating petitions were received by the Cooperative.

The second part of the Ballot shall list the propositions, if any, requiring special notice and any other proposition which, in the discretion of the Board, should be put to a vote of the membership.

SECTION 6. Voting.

Each member shall be entitled to only one vote upon each matter submitted to a vote at a meeting of the members in accordance with Section 1 of Article 1. All questions shall be decided by a vote of a majority of the members voting thereon in person or by mail, except as otherwise provided by law, the articles of incorporation or these bylaws. All voting for directors, removal of directors or bylaws amendments shall be by secret ballot, provided however, the board may adopt a reasonable method of controlling the validity of any ballot.

If a membership is held in the name of the husband individually or the wife individually then only the husband or the wife, as the case may be, may cast the vote represented by the membership. If a membership is held in the name of a husband and wife jointly, then either the husband or wife, but not both, may cast the vote represented by the membership.

SECTION 7. Mail Voting.

Any member may cast his, her, or its vote by mail or by delivery of his ballot to the office of the Cooperative upon any proposition submitted to a vote at any annual meeting of the members except a vote at an annual meeting for the removal and replacement of a director(s) pursuant to Article IV, Section 6. Such member voting by mail shall enclose the ballot in a sealed, stamped envelope addressed to Inspectors of Election, c/o the Cooperative at the principal office of the Cooperative, deposit same in the United States mail with sufficient postage to insure delivery. All ballots received up to the hour of convening the member meeting shall be held and delivered unopened to the inspectors of election, who shall open, verify and count such ballots at the time other ballots are counted.

ARTICLE IV - DIRECTORS

Beginning with the annual meeting held in the year 1977, the directors of the Cooperative shall be divided into nine districts numbered 1, 2, 3, 4, 5, 6, 7, 8 and 9. The terms of office of the directors of Districts 7, 8 and 9 shall be for a term of three (3) years and they shall be elected at the annual meeting in 1979 and shall expire at the annual meeting held in the year 1982. At each annual meeting after the annual meeting held in 1979, three directors shall be elected by ballot for a term of three years, such directors to be elected from the districts served by those directors whose terms are expiring, or until their successors shall have been elected and shall have been qualified for a three year term in the order and sequence above set forth as to the nine numbered districts.

If an election of directors shall not be held on the date designated herein for the annual meeting or any adjournment thereof, the Board of Directors shall cause the election to be held at a special meeting of the members or as soon thereafter as practical.

No member of the Board of Directors shall serve more than five (5) consecutive terms. This limitation shall apply upon completion of a current director's term and any director who has served five (5) consecutive terms shall not be eligible for reelection for a period of three (3) years. Any member appointed or elected to fill a vacancy on the Board of Directors who serves at least one-half of a term of office shall

be considered to have served a term in that office.

SECTION 4. Nomination and voting.

Not later than sixty (60) days prior to the annual meeting it shall be the duty of the Secretary to prepare or cause to be prepared and mailed to each member residing in the districts in which vacancies will exist at the annual meeting a form of nominating petition. The nominating petition shall inform the members that a vacancy will exist in their district at the annual meeting, the name of that incumbent and whether the incumbent intends to seek reelection. Within twenty days following the mailing of the nominating petitions any qualified member may be nominated as a candidate for election to the office of director in any district in which the candidate resides and a vacancy will exist at the forthcoming annual meeting. The nominating petition shall state the date upon which the nominating process will close, which date shall be the twentieth day following the mailing of nominating petitions to the members.

A qualified member shall be nominated when a petition naming that member is timely delivered to the office of the Cooperative signed by fifteen (15) members residing in the district in which the vacancy will exist. No member shall sign more than one nominating petition. In the event two (2) or more petitions contain the signature or signatures of members who have signed petitions previously submitted to the Cooperative, the signature shall not be counted on any petition after the first petition bearing the same signature has been submitted.

Following closure of the nominating process, no further nominations shall be received, and in those districts in which two (2) or more persons have been nominated it shall be the duty of the Secretary to prepare and mail or cause to be prepared and mailed along with the notice of meeting as described in Article III, Section 3, the official ballot as described in Article III, Section 5. The ballot may be mailed, in accordance with Article III, Section 7, or voted in person at the membership meeting in accordance with Article III, Section 6. Only those members residing in districts in which vacancies on the board will exist at the annual meeting shall be mailed part one of the ballot. Part two of the ballot, if there shall be a part two, shall be mailed to all members. If only one (1) person is nominated for the position of director in any district, ballots shall not be mailed and the person nominated shall be deemed elected at the annual meeting of the members. Any director elected without opposition shall commence serving immediately after the election results are announced at the annual meeting of the members.

Each properly nominated candidate shall be entitled to submit to the Cooperative a biographical sketch and position paper which shall be included with the notice of meeting. The biographical sketch and position paper shall not exceed five hundred (500) words in length. The Cooperative shall be entitled to delete from the materials submitted by a candidate any statements which may be deemed obscene or defamatory of any other candidate. The Cooperative shall have absolute discretion in determining whether the statement contains obscenities or defamation.

Each member of the Cooperative voting by mail or in person shall be entitled to vote only for one candidate residing in the same district as that member. No member shall be entitled to vote in any district election in which the member does not reside. The candidate from each district receiving the highest number of votes cast by mail and in person shall be elected to the board representing the district in which he resides even though such candidate may not receive the majority of votes cast for candidates from that district. Ties between two or more candidates shall be resolved by a coin toss or tosses.

Peak Demand Information Coming Soon!

For years now, Sac Osage Electric Cooperative has led the way in adopting new technology whenever it made economic sense. Steady improvements in technology have allowed us to automate our meter reading process, given members multiple payment options, helped linemen pinpoint power outages and greatly reduced miles driven by Cooperative employees and its members.

Sac Osage Electric is now integrating hourly demand readings into its billing system using its new Meter Data Management System (MDMS). With this new MDMS technology, future rates can be designed and fine-tuned to charge individual members more fairly based on the Peak Hourly kWh Usage (Peak Demand) they place on the electrical system and the time the power was used.

Coming soon, the Peak Demand information will be added as a line item on your power bill under the "Current Bill Information" section. Initially, this will be for informational purposes only so you can familiarize yourself with the data. An overall revenue-neutral rate redesign is expected to be implemented later this year.

Although the rate redesign is initially intended to be overall revenue neutral, members may see increases or decreases in their bill depending on their Peak Demand and when the power was used. Although a specific rate redesign has not been approved at this time, it is almost certain that members who avoid fluctuations in usage and limit usage during the peak hours of 6-9 AM and 4-7 PM will benefit from the new rate structure.

Energy Efficiency

Tip of the Month

Spring is here! As you do your spring cleaning be sure to include energy efficiency steps as well. Change the rotation on your ceiling fan so that it forces air down instead of up. Consider planting shade trees so your A/C works less. Have your HVAC system cleaned and tuned for summer operation. If you have burned out light bulbs, replace them with LEDs for the most energy efficient lighting.
